

Assembly instructions for Bench-Top XY-Stand, Product No. OP-006 338

Items included in delivery kit:

ITEM NO.	QTY.	PART NO.
1	1	X-rail with vertical post assembly
2	2	Metal base Assembly
3	1	Double-rod Stand Boom, standard length
4	1	Standard Cable Holder Package

1. Unpack all the items.
2. Put metal bases on a stable working bench.
3. Insert vertical profiles of item 1, X-rail assembly, into the triangle-brackets of the metal bases. Tighten the screws.
4. Disconnect 4x screws from ball bearing housing of item 3, Double-rod Stand Boom.
5. Assemble Double-rod Stand Boom on the X-rail and tighten the screws.
6. Assemble cable holders and fix cable of W10x-HD camera parallel to the boom using cable ties.
